### WAR ON DRUGS

# Penang police uncover 19 drug labs since 2015

**KEPALA BATAS:** Penang police have uncovered 19 drug labs and opened 2,692 investigation papers on drug trafficking in the state between 2015 and last year.

Acting Penang police chief Datuk Roslee Chik said through-

out the two years, the police had seized various drugs weighing over 520kg, as well as 581,81,76 Erimin 5 pills.

"I hope the Penang Narcotics Criminal Investigation Department will continue to excel in its

fight against drug production and distribution in the state," he said after the handing over of narcotic case items to Kualiti Alam Sdn Bhd here yesterday.

A total of 98.3kg of ganja, syabu, ketamine and heroin as

well as 567,460 pills of various drugs worth more than RM10 million were handed over for disposal by the company.

"The drugs destroyed involved 891 cases solved between 2000 and last year," he said. **Bername**
