SEIZED – 50KG DRUGS BOUND FOR MALAYSIA

NEW DELHI: The Indian police thwarted an attempt by a man to smuggle about 50kg of drugs into Malaysia from Chennai when they seized the consignment recently. The long arm of the law has also launched a hunt for a suspect, an official of the Directorate of Revenue Intelligence, India's top anti-smuggling agency, was quoted as saying in the local media yesterday. The street value of the drugs is estimated at US\$1.4 million (RM5.6 million).
