A NURSE was arrested on suspicion of being in possession of ganja in Wangsa Melawati here on Friday.

It is believed the drugs were meant to be distributed here.

Wangsa Maju district police chief Mohamad Roy Suhaimi Sarif said the 27-year-old woman was detained in Jalan Wangsa Budi 11 here about 9am.

"The suspect had a paper bag with eight pieces of a compressed substance and dried leaves, believed to be ganja." He said the 255.49g of drugs were worth RM850.

He said the nurse tested positive for ganja and did not have a criminal record.

Police also found a yellow bottle, a piece of white plastic and a small knife, believed to be drug paraphernalia, he said.

"Upon questioning, the nurse said she obtained the supply from an individual in Kota Damansara and had been in business for five months."

He said the case was being investigated under Section 39B of the Dangerous Drugs Act 1952.
