RM23m clinic to treat drug addiction

KUALA TERENGGANU: A clinic to treat drug addiction will be built at a cost of RM23 million in Kampung Raja, Besut, soon, Terengganu Anti-Drug Agency director Abdul Mutalib Abdullah said yesterday. He said construction of the Cure and Care Clinic was expected to begin in June at the site of the Narcotics Addiction Rehabilitation Centre which would be demolished. All staff and addicts undergoing rehabilitation would be relocated to other rehabilitation centres during the construction period, which was expected take two years. Bernama
