Bid to distribute drugs in Kelantan foiled, 3 nabbed

KOTA BARU: Kelantan police have foiled two attempts to distribute drugs into the state recently. State acting police chief Datuk Muhamad Zaki Harun said police had seized more than RM27,000 worth of drugs in the two cases last week. He said three locals were also arrested in the operations, both in Pasir Mas. In the first case, he said police detained two of the three men and seized 50 Yaba pills containing 30g of heroin valued at about RM10,500. "The two men were nabbed in an operation in Tendong on May 11," he said yesterday. Zaki said the third man was arrested in the third operation in Pasir Mas town on May 12. "The suspect was nabbed for the possession of 1,616 Yaba pills worth RM16,160." He said the three, all locals, aged between 33 and 38, were being held in police custody.
